MEDICAL AND ANTHROPOLOGICAL PUBLICATIONS

BY

ALEŠ HRDLÍČKA

1. Scheme of Examination (medical). Chart. New York, 1902.
2. Butchers' Refuse. New York Medical Journal, LVIII, no. 5, 130. New York, July 29, 1893.
3. A New Form of Abdominal Bandage for Use after Delivery. New York Medical Journal. LIX, no. 9, 274. New York, March 3, 1894.
4. Arsenite of Copper. New York Medical Journal, LX, no. 13, 397-398, New York, Sept. 29, 1894.
5. The Philosophy of the Nature of a Cold. Trans. Homoeopathic Med. Soc. of the St. of New York, XXIX, 236-239. Brooklyn, N. Y., 1904.
6. Contribution to the General Pathology of the Insane. (Physical examinations and measurements.) 24th Annual Report Middletown State Homeopathic Hospital, Middl., N. Y., 162-207. Albany, 1895.
7. A Case of Extensive Traumatic Brain Lesion with Very Meagre Objective Symptoms. Medical Record, XLVIII, no. 15, 512-514, 2 fig's., New York, Oct. 12, 1895.
8. Disorders of Sensibility in the Insane. North American Journal of Homeopathy, 3rd S., X, 719-729. New York, Dec., 1895.
9. Contributions to General Etiology and Pathology of the Insane:
 - I. Etiological Relation of Tuberculosis to Insanity;
 - II. Disorders of Smell in the Insane;
 - III. Reflexes in the Insane;
 - IV. Investigations as to Color-blindness and some Psychological Phenomena in the Insane.25th Ann. Report Middletown State Homeopathic Hospital, Middletown, N. Y., 149-177. Albany and New York, 1896. Also in American Journal of Insanity, LII, no. 3, 325-343. Chicago, Jan., 1896.

10. Twenty Autopsies Held Upon the Cadavers of the Insane. 25th Ann. Report Middletown State Homeopathic Hospital, Middletown, N. Y., 179-213. Albany and New York, 1896.
11. A Trial of Thyroid in a Few Cases of Insanity. State Hospital Bulletin, I, 55-63, Utica, N. Y., Jan., 1896.
12. Pathological Institute of the New York State Hospitals, Department of Anthropology. Outline of its Scope and Exposition of the Preliminary Work. Bulletin of the State Hospitals, II, no. 1, 1-18. Utica, N. Y., Jan., 1897. Also in Contributions of the Pathological Institute of the New York State Hospitals, Utica, N. Y., 1898, no. 4.
 - (a) See also the Annual Reports of the U. S. National Museum, 1903.
13. A Few Words about Anthropometry. American Journal of Insanity, LIII, 521-533. Chicago, April, 1897.
14. An Interesting case of Pseudo-Hermaphroditismus masculinus completus (by J. C. Carson & A. Hrdlička). Albany Medical Annals, XVIII, no. 10, 476-484. Albany, N. Y., Oct., 1897. With 4 fig's. (Whole paper by A. H.)
15. The Teeth in the Neuropathic. Trans. Homeopathic Medical Society of the State of New York, XXXII, 170-173. Brooklyn, 1897.
16. The Medico-Legal Aspect of the Case of Maria Barbella. State Hospitals Bulletin, II, no. 2, 213-299, fig. 1-19, Utica, N. Y., 1897.
17. Trephining in Mexico (by C. Lumholtz & A. Hrdlička). American Anthropologist, X, 389-396, pl. IX-XI, fig. Washington, D. C., Dec., 1897. (All but first 3 paragraphs by A. H.)
18. Marked Human Bones from a Prehistoric Tarasco Indian Burial Place in the State of Michoacan, Mexico. (By C. Lumholtz & A. Hrdlička.) Bulletin of the American Museum of Natural History, X, 61-79, pl. V-IX, figs. 1-4. New York, March, 1898.
19. Art and "Literature" in the Mentally Abnormal. Trans. Homeopathic Medical Society of the State of New York, XXXIII, 233-246, Brooklyn, N. Y., 1898. Also in American Journal of Insanity, LV, no. 3, 385-404, pl. 1-6. Chicago, Jan., 1899.
20. Report on Anthropological Work in the State Institution for Feeble-minded Children, Syracuse, N. Y. Supplement to the 18th Annual Report of the Institution. 8°, 2 charts, 1-98, 2 figures. Wynkoop, Hallenbeck, Crawford Co., New York & Albany, 1899.

21. Physical Differences between White and Colored Children. *American Anthropologist*, XI, 347-350, Washington, November, 1898.
22. Ku^{pathologii snů.} (Contribution to the Pathology of Dreams.) *Casopis Lékařů Českých*, XXXVII, 86-87. Praha, 1898.
23. Dimensions of the Pituitary Fossa or Sella Turcica in the White and the Negro Races. *Archives of Neurology and Psychopathology*, I, No. 4, 679-698, 3 plates. Utica, N. Y., 1898 (issued 1899).
24. Study of the Normal Tibia. *American Anthropologist*, XI, 307-312. Washington, Oct., 1898.
25. Report on Skeletal Remains of the Seri. In W. J. McGee's "The Seri Indians," 17th Annual Report, B. A. E., Washington, 1898, pp. 140-147, fig. 6.
26. Study of the Normal Tibia. *Proceedings of the Association of American Anatomists*, 11th Ann. Session, Dec., 1898, 61-66, 1 fig. Washington, 1899.
27. An Anomalous Ulna: Supracapital Foramen. *American Anthropologist*, N. S., I, 248-250, pl. XVII. New York, April-July, 1899.
28. A new Joint Formation. *American Anthropologist*, N. S., I, 550-551, pl. XXVII. New York, April-July, 1899.
29. Description of an Ancient Anomalous Skeleton from the Valley of Mexico; with Special Reference to Supernumerary and Bicipital Ribs in Man. *Bulletin of the American Museum of Natural History*, XII, Art. V, 81-107, fig. 1-10, pl. I-V, New York, May 13, 1899. Translation in Spanish in *Anales del Museo Nacional*, T. VII, pp. 75-92.
30. Esquimo Brain. *Proceedings of the American Medico-Psychological Association*, VI, 392-397, Fig. 1-2, pl. I-V. New York, 1899.
31. The Needs of American Anthropologists. *The American Naturalist*, XXXIII, 684-688. Boston, August, 1899.
32. A further Contribution to the Study of the Tibia, Relative to its Shapes. *Proc. Assoc. Amer. Anat.*, XII and XIII Sessions, 1899-1900 (Washington, 1900), pp. 12-13.
33. Anthropological Investigations on One Thousand White and Colored Children of Both Sexes, the Inmates of the New York Juvenile Asylum. With additional Notes on One Hundred Colored Children of the New York Colored Orphan Asylum. 8°, 1-86, 4 charts, 12 figures. Wynkoop Hallenbeck Crawford Co., New York and Albany, 1900.

34. Arrangement and Preservation of Large Collections of Human Bones for Purposes of Investigation. *The American Naturalist*, XXXIV, 9-15. Boston, Jan., 1900.
35. Physical and Physiological Observations on the Navaho. *American Anthropologist*, N. S., II, 339-345. N. Y., April, 1900.
36. A Bilateral Division of the Parietal Bone in a Chimpanzee; with a Special Reference to the Oblique Sutures in the Parietal. *Bulletin of the American Museum of Natural History*, XIII, 281-295, fig. 1-6. New York, Dec. 31, 1900.
37. Contribution to the Osteology of Ribs. *Proceedings of the Association of American Anatomists*, 14th Ann. Session, Dec., 1900, 61-68, fig. 1-6, Washington, 1901.
38. Typical Forms of Shaft of Long Bones. *Proceedings of the Association of American Anatomists*, 14th Ann. Session, Dec., 1900, 55-60, figs. 1-2. Washington, 1901.
39. Certain Racial Characteristics of the Base of the Skull; Report of the Section of Anthropology and Psychology of the N. Y. Academy of Sciences, Science, XIII, 309. N. Y., Febr. 22, 1901. Also, *Proc. Assoc. Amer. Anatomists*, 15th Session, in *The American Journal of Anatomy*, I, 1901-2, 508-9.
40. An Eskimo Brain. *Amer. Anthropologist*, N. S., III, 454-500, pl. I-IV, 2 figures. New York, 1901. Also separately, 8°, 1-19, pl. I-IV, 2 figs. The Knickerbocker Press, N. Y., 1901.
41. A Painted Skeleton from Northern Mexico, with Notes on Bone Painting among the American Aborigines. *American Anthropologist*, N. S., III, 701-725, pl. XXV. N. Y., Sept.-Dec., 1901.
42. The Crania of Trenton, New Jersey, and their Bearing upon the Antiquity of Man in that Region. *Bulletin of the American Museum of Natural History*, XVI, Art. 3, 23-62, 3 charts, fig. 1-4, pl. I-XXII. New York, Febr. 6, 1902.
43. Particularidades anatomicas de los craneos Otomies. *Cronica Medica Mexicana*, V, 72-75, Mexico, Abril 1, 1902.
44. New Instances of Complete Division of the Malar Bone, with Notes on Incomplete Division. *The American Naturalist*, XXXVI, no. 424, 273-294, figs. 1-15, Boston, April, 1902.
45. Ethnological Work in the Southwestern United States and Mexico. *The American Museum Journal*, II, no. 7, 68-72, 1 fig. N. Y., Oct., 1902.
46. The Aztecs of Yesterday and Today. *Harpers Monthly Magazine*, N. Y., Dec., 1902, 35-42, map and 3 figures.

47. The Lansing Skeleton. *American Anthropologist*, N. S., V, 323-330, 1 fig. Lancaster, Pa., June, 1903.
48. A Modification in Measuring Cranial Capacity. *Science*, N. S., XVII, no. 443, 1011-1014, 1 fig. Lancaster, Pa., June 26, 1903.
49. Divisions of the Parietal Bone in Man and Other Mammals. *Bulletin of the American Museum of Natural History*, XIX, Art. VIII, 231-386, fig. 1-35, pl. VII-XXI. New York, July 11, 1903.
50. The "Chichimecs" and their Ancient Culture, with Notes on the Tepecanos and the Ruin of La Quemada, Mexico. *American Anthropologist*, N. S., V, 385-440, no. 3, figs. 9-12, pl. XXXVII-XLIV. Lancaster, Pa., Sept., 1903.
51. A Laguna Ceremonial language, *American Anthropologist*, N. S., V, 730. Lancaster, Pa., Dec., 1903.
52. Notes on the Indians of Sonora, Mexico. *American Anthropologist*, N. S., VI, 51-89, pl. III-IX. Lancaster, Pa., March, 1904.
53. Method of Preparing Tesvino among the White River Apache. *American Anthropologist*, N. S., VI, 190-191. Lancaster, Pa., March, 1904.
54. Anomalous Articulation and Fusion of the Atlas with the Occipital Bone. Abstract, *Washington Medical Annals*, III, no. 4, 34-35, Washington, March, 1904.
55. Further Instances of Parietal Division. *The American Naturalist*, XXXVII, 301-309, figs. 1-4. Boston, April, 1904.
56. Further Instances of Malar Division. *The American Naturalist*, XXXVII, 361-366, figs. 1-5. Boston, May, 1904.
57. Directions for Collecting Information and Specimens for Physical Anthropology. *Bull. U. S. Nat. Mus.*, Part R, No. 39, pp. 1-25, pl. I-VIII. Washington, 1904.
58. Cora Dances. *American Anthropologist*, N. S. VI, no. 5, 741-745. Lancaster, Pa., Dec., 1904.
59. Crow Burial in Montana. *Proc. Anthropol. Soc. of Washington*, Amer. Anthropologist, N. S., VI, no. 5, 753, Lancaster, Pa., Dec., 1904.
60. Two Artificially Deformed Crania. *Trans. Anthropol. Soc. of Washington*, American Anthropologist, N. S., VI, no. 5, 756-758. Lancaster, Pa., Dec., 1904.
61. Brain Weight in Vertebrates. *Smiths. Misc. Coll's.*, Quart. Issue, Vol. 48, Part I, no. 1582, pp. 89-112. Washington, June 10, 1905.

62. Head Deformation Among the Klamath. *American Anthropologist*, N. S., VII, 360-361. Lancaster, Pa., June, 1905.
63. Maricopa Weaving. *American Anthropologist*, N. S., VII, 361, 1 fig. Lancaster, Pa., June, 1905.
64. A Cora Cradle, *American Anthropologist*, N. S., VII, 361, 1 fig. Lancaster, Pa., June, 1905.
65. The Painting of Human Bones among the American Aborigines. Rep. Smithsonian Inst. for 1904, 607-617, pls. I-III. Washington, 1905.
66. Notes on the San Carlos Apache. *American Anthropologist*, N. S., VII, no. 3, 480-495, pl. XXX-XXXII, 7 figures. Lancaster, Pa., Sept., 1905.
67. Diseases of the Indians, more especially of the Southwest United States and Northern Mexico. *Washington Medical Annals*, IV, No. 6, 372-394. Washington, Dec., 1905.
68. Notes on the Pima of Arizona. *American Anthropologist*, N. S., VIII, 39-46, pl. VIII-IX, 8 figures. Lancaster, Pa., March, 1906.
69. Brains and Brain Preservatives. *Proceedings U. S. National Museum*, XXX, no. 1451, 245-320b, figs. 1-27. Washington, June 4, 1906.
70. Contribution to the Physical Anthropology of California. University of California Publications, American Archeology and Ethnology, IV, No. 2, 49-64, 5 tables, map, pls. 1-10.
71. Anatomical Observations on a Collection of Orang Skulls from Western Borneo; with a Bibliography. *Proceedings U. S. National Museum*, XXXI, no. 1495, 539-568, figs. 1-8. Washington, November 17, 1906.
72. Measurements of the Cranial Fossae. *Proceedings U. S. National Museum*, XXXII, no. 1521, 177-232, pls. XIV-XV. Washington, March 13, 1907.
73. Beauty Among the American Indians. Boas Anniversary Volume, 38-42, pl. IV-VI. New York (G. Stechert & Co.), 1906.
74. Handbook of American Indians North of Mexico. Bull. XXX, Part I, Bureau American Ethnology, Washington, 1907. Articles: Anatomy, 53-56; Artificial Head Deformation, 96-97; Health and Disease (in Indians), 540-541; and Medicine and Medicine-men, 836-839. Part II, Washington, 1910, articles: Physiology, 238-240; Scarification, 484-485.
75. Physical Anthropology and Its Aims. *Science*, N. S., XXVIII, No. 706, 33-34. Lancaster, Pa., July 19, 1908. Also, in *The*

- Anatomical Record, II, No. 5, 182-195. Philadelphia, Pa., August 5, 1908.
76. Skeletal Remains Suggesting or Attributed to Early Man in North America. Bull. 33, Bureau American Ethnology, 1-113, pl. I-XXI, figs. 1-16. Washington, 1907.
 77. Report on a Collection of Crania from Arkansas. Journal Academy Natural Sciences Philadelphia, XIII, 558-563. Philadelphia, 1908.
 78. Contribution to the Knowledge of Tuberculosis in the Indian. The Southern Workman, XXXVII, no. 11, 626-634. Hampton, Va., 1908. Also, in Transactions VII International Congress on Tuberculosis. Abstract in Charities and the Commons, XXI, no. 6, 245-247, N. Y., November 7, 1908.
 79. New Examples of American Indian Skulls with Low Forehead. Proceedings U. S. National Museum, XXXV, 171-175, pl. XXVIII. Washington, November 9, 1908.
 80. Otis Tufton Mason. Science, N. S., XXVIII, no. 726-748. Lancaster, Pa., 1908.
 81. Physiological and Medical Observations among the Indians of Southwestern United States and Northern Mexico. Bulletin 34, Bureau American Ethnology, I-IX, 1-460, pls. I-XXVIII, figs. 1-2. Washington, 1908.
 82. Tuberculosis among Certain Indian Tribes of the United States. Bulletin 42, Bureau American Ethnology, I-VII, 1-48, pls. I-XXII. Washington, 1909.
 83. Report on the Skeletal Remains (from Eastern Nebraska) by Aleš Hrdlička. American Anthropologist, N. S., XI, No. 1, 79-81, Fig. 8. With "Excavation of Earth-Lodge Ruins in Eastern Nebraska" by Robert F. Gilder. Lancaster, Pa., March, 1909.
 84. Note sur la variation morphologique des Egyptiens depuis les temps préhistoriques ou prédynastique. Bull. et Mém. Soc. d'Anthropol. Paris, Vme Sér., X, 1909, pp. 143-4.
 85. The Stature of the Indians of the Southwest and of Northern Mexico. Putnam Anniversary Volume, 1°. Cedar Rapids, Ia., 1909, pp. 405-426.
 86. Report on Skeletal Material from Missouri Mounds, Collected in 1906-7 by Mr. Gerard Fowke. Bulletin 37, B. A. E., pp. 103-112, Washington, 1910.
 87. Report on an Additional Collection of Skeletal Remains from Arkansas and Louisiana. J. Acad. Sci., Phila., XIV, 1909, pp. 173-240, 9 figs.

88. Contribution to the Anthropology of Central and Smith Sound Eskimo. *Anthrop. Papers, Amer. Mus. Natur. Hist.*, V, part II, 1910, pp. 175-280, pls. IX-XXIII.
89. Report on the Trenton Femur and Parietal. In "The Archeology of the Delaware Valley," by E. Volk, *Papers of the Peabody Mus., Cambridge, Mass.*, 1911, pp. 244-247.
90. Some Results of Recent Anthropological Exploration in Peru. *Smithsonian Miscell. Coll.*, LVI, No. 16, Washington, 1911, pp. 1-16, 4 pl.
91. Human Dentition and Teeth from the Evolutionary and Racial Standpoint. *The Dominion Dental Jour.*, Toronto, 1911, pp. 403-422.
92. The Natives of Kharga Oasis, Egypt. *Smithsonian Miscell. Coll.*, LIX, No. 1, Washington, 1912, pp. I-VI, 1-118, pls. I-XXXVIII.
93. The Problem of Unity or Plurality and the Probable Place of Origin of the American Aborigines. Symposium, presented before Sect. H. A. A. A. S., 1911. Parts History and Physical Anthropology. *Amer. Anthropologist*, N. S., XIV, No. 1, 1912. Also *Trans. XVIII Int. Cong. Americanists, London, 1913.*
94. Early Man in South America. With the Collaboration of W. H. Holmes, Bailey Willis, F. E. Wright and C. N. Fenner. *Bull.* 52, Bureau American Ethnology, Washington, 1912, pp. 1, 500. 1—, figs. 1-50; pls. I-LXVIII.
95. The Pueblos (in preparation).
96. An ancient sepulchre at San Juan Teotihuacan with anthropol. notes on the Teotihuacan people. *Reseña de la II Ses. d. XVII Cong Internac. de Americanistas*, Mexico, 1912.
97. Early Man in America. *Amer. Jour. of Scien* Dec., 1912, pp. 543-554; also *Trans. XVIII Congr. Americanists, London, 1913.*
98. Remains in Eastern Asia of the Race that peopled America. *Smithsonian Misc. Coll.*'s vol. 60, no. 16 (publ. 2159), Wash. 1912. *Compt. Rend. XIV Congr. Intern. d'Anthropologie et d'Archeologie préhist.*, Genève,
99. Early Man and his "Precursors" in South America. *Anatom. Anzeiger*, Bd. 43, No. 1, pp. 1-14.
100. Report on skeletal remains from a mound Haley Place, near Red river, Miller Co. Ark., *J. Acad. Nat. Sci. Phila.*, XV, 1912.

101. Artificial Deformations of the Human Skull. With especial reference to America. Actas del XVII Congreso Internacional de Americanistas. Sesión de Buenos Aires, 1912 (appeared Aug. 1913), pp. 147-'9.
102. A Report on a Collection of Crania and Bones from Sorrel Bayou, Iberville Parish, Louisiana. Journal of the Academy of Natural Sciences, Phila., XVI, 1913, pp. 95-99.
103. Anthropological Work in Peru in 1913, with Notes on the Pathology of the Ancient Peruvians. Smithsonian Misc. Coll's., Vol. 61, No. 18, (publ. 2246), Wash. 1914, pp. I-VI, 1-69, pls. 26, figs. 3.
104. Report on two Crania from Saline Creek. In Bushnell D.I. Jr., Archeol. Investigations in Ste. Genevieve Co., Missouri, Proc. U.S. Nat. Mus. Vol. 46, Wash. 1914, p. 656.
